Dear Tony

**1998 Frankston City Mayoral Charity Ball**

Christina and I were absolutely delighted with the success of the Frankston City Mayoral Charity Ball.

The menu and service provided by Wise Choice was terrific and we have received really positive feedback.

I apologise for not contacting you sooner but, as you are probably aware, we have only recently returned from overseas.

Due to the success of the evening, approximately \$8,500 was raised for distribution among the nominated groups.

Thank you once again for your involvement in the evening and I would appreciate you passing on our thanks to your staff.

Kind regards

Councillor Wayne Woods
