Dear Tony,

Just a short note to say a personal thank you for your efforts recently relating to my 40<sup>th</sup> Birthday Celebrations. Fiona and I were very pleased with the function and our guests appeared to enjoy the day.

It takes a great deal of effort to achieve an end result which is memorable and "trouble free", and once again we thank you for your assistance and professionalism.

We look forward to working with you in the future.

Yours sincerely,

Sid Myer
